## Image Guidelines

Appear on page at 820 x 312 pixels. Anything less will be stretched.

Minimum size of 400 x 150 pixels.

Displays at 820 x 312 pixels on desktop and 640 x 360 pixels on smartphones.

Doesn't display on feature phones.

For best results, upload an sRGB JPG file less than 100 KB.

If images has a logo or text, save as a PNG file instead

Business Page dimensions are now exactly the same as personal accounts

*For Illustrator (.ai) file, transparent .png and single-page PDF of just the green and blue guidelines, visit [heronco.com/volare/social-templates](https://heronco.com/volare/social-templates)*
